Skills

I am skilled in the construction of form (both analog and digital environments), typography, and the arrangement of such in a conceptually interesting and meaningful manner to create works that attempt to convey strong ideas in a unique visual style.

Education

California Institute of the Arts

BFA in Graphic Design
2006

Experience

Attahk

For the past three years I have been doing freelance graphic design work ranging in nature from t-shirt graphics and posters to web work and motion graphics.

Freelance Graphic Design
2008 - Present

Beautiful/Decay

At Beautiful/Decay my duties ranged from art direction and design of the publication, to maintaining the brand image, to design and production for the clothing line.

Graphic Design
2006 - 2008

Flaunt Magazine

While at Flaunt I got the chance to create layouts and typography for the magazine, design t-shirts, and also did a lot of archiving.

Graphic Design Intern
2006

Eclectic Multimedia

Starting out doing freelance Flash work, I later was a full-time Production Artist and worked on projects mostly based around interactive CDs for the education industry.

Production Artist
2002

Recognition

Type Director's Club TDC52

A Certificate of Typographic Excellence was given to two of my REDCAT posters.

2006

Art Director's Club Awards

A Merit in Graphic Design was given to the same two REDCAT posters.

2006

Lectures & Appearances

California Institute of the Arts

Visiting Artist
2008

AIGA/LA Student Portfolio Day

Portfolio Reviewer
2007/2008
